ASPIRING ORTHOPEDIC SURGEON

To whom it may concern,

I am writing this letter to reach out to those interested in investing in a young, aspiring orthopedic surgeon looking to gain experience in the medical field through volunteering. I am a focused, hard working individual with exceptional communication skills. I also have experience volunteering in a hospital.

I am interested in a volunteering opportunity because I want to help people, and having been in a hospital doing this work before, I know better than most that volunteers are always needed in the medical field. In my previous work volunteering for the hospital, I stocked supplies in patient's rooms and supply rooms along with a plethora of interactions between both patients and staff. I am very dedicated to my work, this has been shown in my hard work in athletics in which I have managed to earn two school records and maintain an 3.9 GPA while taking part in 12 consecutive seasons of athletics.

Thank you for your time and consideration, I look forward to further communication between us. You can reach me at my personal cell or email, 734-756-6032 and hunter.williams.hjw@gmail.com respectively, you can also feel free to mail anything to the address provided above, if you want to learn more please visit <https://hunterjwilliamsportfolio.weebly.com/>.

Kindest Regards,

Hunter J. Williams
